

ROOM AND BOARD / FOOD SERVICES

Clarendon College operates five air-conditioned residence halls. Knorpp Hall is designated for women. Vaughan and Phelan Halls are designated for men. Regents and Southwest Halls feature apartment style units. Due to popularity and uniqueness of Regents and Southwest Halls, the Vice President of Student Services may establish special criteria for students who want to live in these halls.

Clarendon College's meal plan includes 19 meals per week: three meals a day, Monday through Friday, and two meals each on Saturday and Sunday. All students living in Clarendon College residence halls are required to participate in the meal plan.

Room and Board charges are due in FULL on or before the first class day.

Housing

A deposit of \$150 is required to reserve a room. The deposit, which is in addition to the residence hall charges, is fully refundable up to August 1 for the Fall term, and December 1 for the Spring term.

Clarendon College will, if requested, help students who were formerly under the conservatorship of the Department of Family Protective Services find housing between regular long semester terms.

When a student moves out of the dormitory room at the end of the semester or year, an inspection is made by a college representative. At the discretion of the College, any damage in the room is charged against the room deposit. If the cost to repair the damage exceeds the student's deposit, the balance is billed to the student. Students are charged for damage to the individual room, and they share responsibility with fellow students for damages in common areas that cannot be attributed to any individual. If the cost to repair the damage does not exceed the student's deposit, a refund will be issued. Students must submit a Dorm Deposit Refund Form to the Vice President of Student Services Office by December 1 for the fall term and April 15 for the fall term.

If a student withdraws from the College prior to the end of the term, no refunds are made for room, board or housing deposit, as the College has no opportunity to rent the room or recover projected meal plan revenue once the semester begins.
